

**CURRENTLY AVAILABLE E-LEARNING COURSES FOR POLICE**

**E-LEARNING COURSES WITHIN THE CANADIAN POLICE COMMUNITY**

(Updated March 1, 2010)

The following tables provide an inventory of all e-learning courses that are currently available or are under development at CPKN, individual police services, or police training facilities in Canada (to the best of our knowledge). The purpose of this inventory is to reduce the duplication of effort among organizations when developing e-learning courseware for training purposes and to encourage knowledge-sharing among police agencies. This inventory is maintained by CPKN and will be updated regularly based on input from across the country.

If you have any inquiries or would like to provide additional information to this list, please contact Nadine Sutcliffe, CPKN at 902-629-4262 or by email at [nadine.sutcliffe@cpkn.ca](mailto:nadine.sutcliffe@cpkn.ca)
